# Public drop-in

## Proposed Integrated Waste Management Facility, Rivenhall

Following consultation on an application for an Environmental Permit earlier this year and our technical assessment of it, we're now 'minded to' issue a permit to Gent Fairhead & Co. Ltd. However, we'll only make our final decision after considering any responses received during a further phase of public consultation.

Our draft permit and decision document will be available at the drop-in session, where you will also be able to talk to our officers.

Staff from Essex County Council's Planning Department will also be available to answer your questions.

### Friday 30 June, 2.00-7.00pm

Christ Church, Stoneham Street, Coggeshall CO6 1UH

You can also view the documents at our office on the Threshelfords Business Park, Inworth Road, Kelvedon CO5 9SE, and on [www.gov.uk](http://www.gov.uk).
