

## **Coggeshall Big Park Project Fundraising Group**

### **June report to Coggeshall Parish Council**

#### **Fundraising**

We continued to sell merchandise and receive donations this month. Furthermore, the Jumble Trail event was held, which raised over £500.

July is going to be slightly quieter given we weren't sure what restrictions would look like and as we continue to focus on organising the Eco Fair and selling our stock.

We continue to get closer to our goal and this month we took over £2,000.
